History year group overview – EYFS

History Intent: At Slade Primary school, our History curriculum aims to foster children's enthusiasm and curiosity about the past including how and why people interpret the past in different ways. Through carefully sequenced historical concepts, children will enquire, investigate and analyse the past. Their learning experiences will allow them to understand how history has shaped their own lives and the lives of those around them.

Key Concept and Unit of work	Key objectives	End Point
Achievements **Adventures through time**	• To begin to understand the concept of generations. • To recognise special achievements. • To recognise that kings and queens are powerful people. • To understand that the environment around us changes as time passes. • To compare modes of transport of the past with the present.	Understand the past through settings, characters, and events encountered in books read in class and storytelling.
Civilisations **Peek into the past**	• To describe changes over time. • To begin to recognise the order events happen. • To sort photographs from the past and present. • To identify toys from the past. • To compare pictures from past and present.	Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class.
