From the Headteacher

Karen Slade

Dear Parents and Carers,

I trust that you and your families all remain safe and well and are looking forward to some sense of normality returning next week.

A huge thank you and well done to each and every child, parent and member of staff for the resilience that you have all demonstrated during these past 9 challenging weeks since the start of Term 3. You have all been truly amazing in the way that you have responded and adapted to the changes to schooling that we have experienced during this time. Whether accessing learning in school in critical worker bubbles or at home learning remotely I am extremely proud of each and every member of the Slade Community and you should all be very proud of yourselves too. I am excited to be welcoming all children back into the building on Monday as we start to reconnect and rebuild moving forward together. Here's to the good times ahead!

Lockdown did not hinder the World Book Day celebrating at Slade, remotely or in the building! School was still transformed yesterday into a colourful world of book characters as we celebrated World Book Day! It was great to see so many online registration sessions awash with children dressed as characters from their favourite books! Thank you for going above and beyond this year with resourcing costumes and helping your child to bring their book character to life. Special thanks to Miss Redden, Mr Watts and all the staff for the fun that you have created for the children. Book tokens will be emailed out to you which can be exchanged in any local book store or used online. We look forward to seeing the books that you buy!

As I shared in my letter on Monday, there will be no Breakfast Club, After School Club or extra-curricular after school activities on re-opening. Our aim has always been to reintroduce these services when satisfied that it is safe to do so and when it is not to the detriment of educational provision. There is now a short online survey for parents to complete, the results of which will enable us to ascertain the demand for this service as we continue to plan ahead. Thank you in advance for completing this: https://forms.office.com/Pages/ResponsePage.aspx?id=KYD-O4rtz0m47TuDL8aBohlUOtojvWxlj8LwmD_bv7FUQ1FQSIBGRjM3NVZHRIRPUIE2TzRBSzRUUS4u

On Sunday 28 February, the [Department of Health and Social Care announced](#) that from Monday 1 March, households with primary school, secondary school and college age children, including childcare and support bubbles, can test themselves twice every week at home as schools return from Monday 8 March. The twice-weekly test kits can be accessed by collecting a home test kit from a test site or by ordering a home test kit online. This [guidance](#) provides information on who can be tested and how you can get a test.

Thank you to all parents who have already cast their votes in the parent governor election; a reminder to those of you still planning to vote that the closing date for this ballot is midday on Monday 15 March.

Have a restful weekend everyone and see you all on Monday!

Take care, stay safe and be kind x

Karen Slade

This Week at Slade

Welcome to Slade, Dylan

This week, we were delighted to welcome Dylan to Slade. Dylan will be joining up with our youngest learners in Elmer Class with Mrs Pearson.

We all hope you have enjoyed your first week with us in remote learning, Dylan and that you are excited to meet up with your new class on Monday.

We look forward to a long, happy and successful relationship with Dylan and his family to who we extend our warm welcome.

Local Road Changes

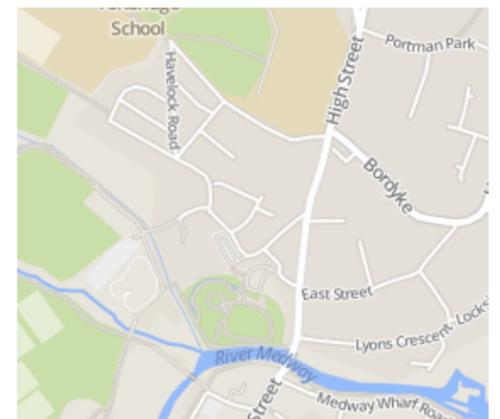

High Street - Lansdowne Road - Annison Street - The Slade

Following last week's story of Kent County Council's Mission Zero road accident prevention strategy, we would like to alert you of a recent change to the road layout close to Slade and how it may impact your walk to school, especially if your children walk or cycle to and from school on their own or in advance of you.

The removal of a barrier in Annison Street means that this is now an open through road from Stafford Road onto The Slade, through to the High Street

Vehicles are able to use this as a through way, sometimes unaware of junctions along the road. Parents who let their children walk along this route and along Bradley Street may want to their children aware of these changes and to make sure that they are double checking for safety before crossing any of the local roads.

Thankyou to alert parents who have let us know of this recent change and have seen the impact of it.

Slade Primary School: Parent Governor Election

There is just over a week to cast your vote for one of the four candidates who have put themselves forward for the one vacancy we have for Parent Governor on our Governing Body.

Thankyou to those of you who have already voted for this important position within the school.

Your vote must be received by email or via Royal Mail by Midday (12:00) on Monday 15 March.

We also ask that you are mindful of social distancing rules when walking to and from school as well.

Reading Corner

Mrs Mawson's Book of the Week

The Wind in the Willows, by Kenneth Grahame

A classic from Mrs Mawson this week:

Spring is in the air and Mole has found a wonderful new world. There's boating with Ratty, a feast with Badger and high jinks on the open road with that reckless ruffian Mr Toad of Toad Hall. The four become the firmest of friends, but after Toad's latest escapade, can they join together and beat the wretched weasels?

World Book Week

We hope that you have enjoyed the activities relating to Book Week and World Book Day, which was yesterday, including the free extra sessions organised by Scholastic UK.

You should also have received your £1 Book Token, sponsored by our friends at National Book Tokens by email yesterday. The World Book Day £1 books are a gift from booksellers, who fully fund the cost of the £1 book token redemptions.

The £1 book token can be exchanged for one of the exclusive, new £1 books or for getting £1 off any book or audiobook costing £2.99 or more in participating bookshops and supermarkets. The tokens are valid until Sunday 28 March.

Around School at Home

One of the positives to have come out of this lockdown year has been the opportunity to share with everyone at home the wonderful home learning and other achievements of the children at Slade.

A massive thankyou to all of the children and parents who have submitted stories and pictures of learning, sports achievements and everything else over the past year, there were lots of highlights that prove that even in the darkest of times, fond and lasting memories are made. We hope this is the last collection of lockdown Learning we have to share with you, for obvious reasons- but do continue to send us those successes that you have outside school, whether in a sport, in a competition, performing or playing, we love to share these stories with the school.

Send your stories to office@slade.kent.sch.uk

Today, we are delighted to share these beautifully crafted ice sculptures from Hippogriff Class in Year 3.
