## KAREN SLADE FROM THE HEADTEACHER

Dear Parents and Carers,

It has been so very lovely to see and hear families from across all year groups browsing the books at our Scholastic Book Fair after school this week. Such a lovely selection of books to choose from! Huge thanks to all those who took the time to stop by to make a purchase! Many thanks too to our English Leaders for organising the event and to the team of staff who have given of their time this week enabling the fair to happen. We are very much looking forward to choosing some books for the library from the commission that your purchases has raised; so a huge thank you from us all.

Many thanks too to the parents and carers who attended our parent consultation meetings this week. We hope that you enjoyed meeting your child's class teacher and hearing about how your child has settled into their new class and the progress that they have already made this term. For those that were unable to attend, then please contact your child's class teacher at the class email address to arrange a meeting or a telephone call at a mutually convenient time for the start of Term 2.

Earlier this week we saw the welcome return of our 'Who am I?' day, a celebration of all that makes us special and unique. It was so lovely to see all the children and staff represent themselves by the clothes that they were wearing and the objects that they shared. There was a real buzz across the school during the afternoon as all the children learnt of each other's cultures, religions and heritages; do read on into the newsletter to find out more and see some photos capturing this special afternoon.

Thank you to all the parents in Elmer and Gruffalo classes who attended the 'Meet the Team' meetings this week which were held in the small hall and included an overview of phonics teaching in the Early Years; plus, an opportunity to visit the Reception classrooms too! The slides from these sessions will be shared with all parents as they contain key information for the year ahead. In addition, do look out everyone for this month's Maths newsletter which dropped into inboxes earlier this week. This month's edition once again provides some great ideas for supporting your child with their maths learning whilst also launches our Times Tables Rock Stars Christmas themed competition too!

We have recently experienced a huge increase in the number of emails to the school office regarding nonurgent matters, frequently before the start of the school day and often requesting a response sooner than our 48-hour acknowledgment deadline. Frustratingly, the answers to these queries can more often than not be found in previous communications sent out from the school. Therefore, moving forward, please ensure that you have checked all previous letters and texts for the answer to your questions before contacting the school via email; remember also to check for information on our school website, 'X' feed and the Parent Rep WhatsApp groups too. Information regarding our various channels of communication and who to contact can be found further on in this newsletter and in our Communication Policy on the school website. Thank you in anticipation of your understanding and help with this matter.

Finally, as events continue to unfold in the Middle East our thoughts are with those in our school community who have themselves been personally affected, with family or friends caught up in the conflict. Remember, we are here to support in any way we can at this incredibly worrying time.

I hope that you all have a restful half term break next week and look forward to seeing you back in school at the start of Term 2 on Monday 30 October.

Have a lovely weekend,

Karen Slade

## **SLADE JOURNAL AROUND SCHOOL**

#### Welcome to Slade, David

On Wednesday, we welcomed David to Slade for the first time. David joins us in Year 2 with Mrs Potter in Gnome Class.

We saw David at the end of his first day and Mrs Potter told us that he had settled immediately. We all hope you have enjoyed your first experiences with us, including a damp trip to Forest School yesterday.

Our warm welcome to David is extended to all of his family, with who we hope to share a long, happy and successful relationship.

#### **Term 2 Activities**

A reminder that registration for our selection of teacher led, free to attend Term 2 Activity Clubs is now open via your Arbor account.

A full list of the available activity clubs is posted on the website, here: Term 2 Activities

All Before, at lunch and After School Activities run each week of Term 2 up to and including Monday 4 December - Friday 8 December. They do not run on the final week of term.

Yeti's Wraparound provision is open each day of term including the last week and sessions can be booked now via SCOPAY.

### **No Nuts Please**

Due to the risk of severe allergic reaction, please do not send children in to school with nuts or nut related products such as Nutella spread in breaktime snacks or lunchboxes.

We have a number of children and staff for who an allergic reaction to nuts can trigger a serious medical incident. Many thanks for your help and co-operation with this.

## october Break holiday WPP

We hope you have a wonderful October break next week.

We are back in school on Monday 30 October for Term 2, which is as ever busy with lots of events in and around school. A full list of diary dates can be found on our online agenda, found here: Calendar Dates

#### Year 6 Bikeability Update

No nuts in this area due to allergies

Due to sickness within the instructor's camp, the last two sessions of the Year 6 Bikeability were postponed today and yesterday. The children affected are those in Groups 2E and 2F and have been notified of the new dates.

A reminder that the rearranged dates are immediately following the break (Group 2E on Monday 30 October and 2F on Tuesday 31 October) so please don't forget the bike, helmet and suitable clothing. A full report and extra information from our friends at Bikeability will follow in the first issue of the newsletter in Term 2.

Badges and certificates will also be given out in Celebration Assembly on Friday 3 November.

#### **Yeti's Cancellations**

Please note that booked sessions at Yeti's can only be cancelled more than 24 hours before the session is to begin. This should be done via your SCOPAY account. The administration team are unable to refund bookings after this time.

## SIMON GRIFFITHS CHAIR OF GOVERNORS

Dear Parents and Carers,

As we reach the end of term 1, I hope you and your children have all enjoyed a positive start to the new school year. Over this term, the governing body started their annual cycle of meetings with our recent Full Governing Body (FGB) meeting, followed by meetings of our Finance & Property and Personnel & Professional Development committees.

At the FGB we held our annual elections for the roles of chair and vice-chair of governors. I was delighted to be reappointed to the role of chair for another year and I'm pleased to report Eleanor Hoyle was elected as our new vice chair. As he steps down from the role, I would like to publicly thank David Evans for his time as vice chair and for his continued support, particularly through his work monitoring the school's finances.

We also use the FGB to appoint our committee chairs and this year we have adopted a co-chairing approach to help develop governors skills and balance the workload. We appointed Scott Miller and Eleanor Hoyle as co-chairs of our Curriculum committee, Daniel van Bregt and David Evans as co-chairs of the Finance and Property committee and Sahar Zaidi-Shirazee and Stuart Concannon as co-chairs of our Personnel and Professional Development committee.

The governors look forward to working with the school this year, with a particular focus on the priorities identified in the school development plan of attainment and progress of our disadvantaged pupils, outcomes for all pupils and writing.

I will keep you updated on our work through the newsletter, but you can also find more information about the governing body on the school website.

I hope you all have an enjoyable and safe half term.

Simon Griffiths.

## **SLADE JOURNAL** AROUND SCHOOL

#### **Maths Newsletter**

Dropping into your email inbox yesterday would have been the latest Maths Newsletter from Mr Duffin. We hope you find this publication useful and fun to read.

We know that not everyone finds Maths easy or can become anxious about tackling new maths

learning. The newsletter covers this and gives tips on how to encourage an anxious child to tackle Maths with a positive mindset.

We also celebrate the success of our latest Times Tables Rockstars, launch the Term 2 Christmas Film competition and take a look at the amazing, fun Maths at Home!

#### Times Tables Rockstars!

Don't forget to log into Times Tables Rockstars over the October break and join our Hall of Fame.

This week our winners are Esmee, Isaac, Scarlett and Liliana all of who received congratulations in today's Celebration Assembly.

Whole School Competition This term you will do battle against each other to see who has the greatest Rock Stars! Whichever class gains the most points in Term 2 will have a Christmas film afternoon at the end of term! The top three classes across the school will win!

May the best classes win!

## **SLADE JOURNAL AROUND SCHOOL**

## Who Am I?

On Tuesday, we hosted our annual Who am I? Day, a little earlier in the year than usual with the aim on giving the children a useful and interesting way of introducing themselves to their new teacher - and to share new stories and information with their friends.

Who Am I? is a celebration of culture, language, interests and background. We spend the day sharing stories, exhibits and personal memorabilia with each other so we can find out more about what makes us all unique and special.

Thankyou to everyone who contributed items or stories on the day, including the wonderful array of dresses and costumes from across the world including in our front cover picture today from Wyvern Class which saw dress from Nepal and India. Across the school we are fortunate to have children from countless backgrounds and cultures - all of which were shared with pride on Tuesday!

From top to bottom, left to right: Images and statues of Lord Ganesh from the Hindu Faith, dress from Kazakhstan, traditional shirt from Taiwan, Chef Cook, Ballet, sentimental toys from Nepal, Artist in Residence, Patterns and dress from Poland and families from India.

#### **TEAMS** Passwords

Following feedback from our Class Reps, we have made the decision to use Microsoft TEAMs to share all home learning for pupils in Year 2 – 6 to ensure there is consistency across the school. All yeargroups will have access to TEAMS. Thankyou to the Class Reps and to Brian Clark, our IT Consultant who has been working tirelessly on this project.

#### Logins and Passwords

We have made the decision to ensure every child has an individual password in order to help teach the children the importance of keeping their password secure as well as to ensure our school system is kept as secure as possible. Therefore, all children in Years 2-6 have been issued with a new password to access TEAMS. You will by now have these new details - they are stuck into the Reading Journal.

The children have spent this week practising how to use their new password ready for Term 2.

For our new families, or as a refresher, you can find additional information on our school website which explains how to use TEAMS via the following link. <u>https://www.slade.kent.sch.uk/</u> attachments/download.asp?file=140&type=pdf

If you have any further questions about the information in this letter then please speak to the class teacher in the first instance.

## SLADE JOURNAL PTA NEWS

## **SLADE JOURNAL** SPORT, FITNESS AND WELLBEING

### Tonbridge Champions (Again!)

The National League Trust Cup is back; readers from last year will know that our Year 5 and 6 Girls team reached the regional finals then after winning the Tonbridge Angels FC competition and they have repeated that victory this year after the round robin and play-off competition that took place at Angels' Longmead Stadium on Thursday.

The squad of Sophie, Lily, Olivia, Harriet, Victoria, Keeva, Malvina and Stella excelled all day, remaining unbeaten having won against Woodlands, St Augustine of Tunbridge Wells, Brenchley and Matfield, Bishops Chavasse and Paddock Wood in the group stage with only a draw against Pembury preventing a 100% success on the day.

The format of the competition means that there is a play off final between the top two in the group stage. The girls deservedly lifted the trophy again after the final in which they defeated Paddock Wood 3:1.

There were some fantastic moments throughout the day, standing out were goals from Sophie, Harriet and Olivia, Malvina and Lily in goal, with the skill and never-say-beaten attitude of Keeva and Stella - all of which made the perfect team of champions!

The girls go through to the next stage, details to be announced later in the year.

We had two boys teams take part in the competition as well; coming in 5th and 6th place which allowed them to play on the day for the Tonbridge Shield. Whilst it was not to be for the teams as far as progressing to the next stage of the National League Cup, they still had a fantastic day - the highlight was the Slade Derby (our two teams competing against each other) won by Slade 'B' on penalties!

With special thanks to Mrs Buckland who was home from home for the day - getting to coach and participate at Tonbridge Angels FC, where you will be able to find her supporting the local National League South side every other Saturday, Mrs Taylor and in particular to Ian Kington who took a team for the day and helped Mrs Ball immensely to organise the day and keep the teams safe and focused - thankyou Ian, we look forward to working with you again soon.
