## FROM THE HEADTEACHER

Dear Parents and Carers,

Well done and thank you to everyone for supporting us with our fundraising today for BBC Children in Need. We’ve all been very excited in our ‘own clothes’ which once again made for a very colourful Zoom celebration assembly this morning! In addition, there was a super surprise at lunchtime when none other than Pudsey himself showed up to work a shift in the dining hall, lending a helping hand serving ‘puds’ to children having lunch! Pudsey popped by to personally say a huge thank you to everyone at Slade for their generosity when donating to this fabulous charity and very worthy cause. Thank you everyone! Do check out the photos further on in the newsletter and on our X feed too. For anyone still wishing to contribute to this worthy cause then donations can be made at: [Slade Primary School is fundraising for BBC Children in Need \(justgiving.com\)](https://www.justgiving.com/sladeprimary)

On Wednesday we held the first of our Open Mornings for prospective parents currently looking to choose a school for children who are due to start in September 2024. The morning was an opportunity for our visitors to hear about the provision on offer here at Slade followed by time to explore and see a typical Wednesday morning in action! As you would expect, our visitors were once again full of praise for all that they saw and were especially complimentary about our fabulous children! Well done to everyone involved, including our PTA team for providing the refreshments. Thank you everyone!

Throughout the week children and staff have all been making a noise about bullying! As part of national ‘Anti-Bullying Week’, coordinated by the Anti-Bullying Alliance, the children have joined in with other schools across the country by exploring the theme ‘Make a Noise about Bullying’. The focus this year has been to empower everyone, whether in school, at home, in the community or online, to find their voice and speak out against bullying in order to counter the harm and hurt that bullying causes. We continue to encourage all children to take action against bullying not just this week but throughout the year so please do email or call your child’s class teacher if your child has shared any concerns regarding their relationships in school with you.

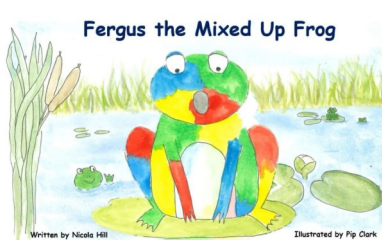

Huge congratulations to Mrs. Nicola Hill (Sprite Class Teacher) and Mrs. Pip Clark (Elf TA) who this week have had their first children’s book published! As some of you may be aware, Mrs. Hill’s creation of ‘Fergus the Frog’, brought to life by Mrs. Clark’s beautiful artwork, has been a firm favourite with some of our children in recent years as they have used the story of ‘Fergus the Mixed-Up Frog’ to explore their emotions and feelings. We are delighted that more children will now be able to use Fergus to help them regulate their emotions too with the book now live to order on Amazon! Our school order has already been placed! Well done Nicky and Pip, we are all very proud of you both!

Looking ahead, on Monday we will be welcoming our new Family Liaison Officer (FLO), Libby Wilmshurst, to our growing pastoral team here at Slade. Libby is an experienced FLO, who joins us from Broadwater Down Primary School in Tunbridge Wells. Do look out for Libby on the school gate in the coming days and say hello or drop her a line to introduce yourself at the FLO email address.

Finally, we currently have a vacancy for a Midday Supervisor in school and are in the process of recruiting to this team. Do get in touch or catch me on the gate to find out more if this is something that you might be interested in. Details of the application process can be found on the Kent Teach website.

Have a lovely weekend,

Karen Slade

## AROUND SCHOOL

### Welcome to Slade, Aadhyaben

We were delighted to welcome Aadhyaben to Slade on Wednesday, for her first day with us in Miss Elliott and Miss Maple’s Year 1 Pixie Class.

The children in Pixie Class have all shown their kindness by helping Aahyaben settle so well and so quickly in to life at school.

Our warm welcome is extended to the family of Aadhyaben, with who we hope to share a long, happy and successful relationship.

### Absence and Early Collection

Parents should all be aware that any non-illness related request of absence from school, or occasion where a child is being collected from school early must be first put in to writing and sent to the school office email address: [office@slade.kent.sch.uk](mailto:office@slade.kent.sch.uk). It is not appropriate to send these requests to the class email address.

In addition, to maintain safety for all of our pupils and staff and to encourage robust safeguarding, children who are being collected early from school should be collected only by someone who is listed as a contact on your child’s Arbor account.

You can add contacts to Arbor by logging in and visiting the profile page. If you wish to delete a contact, please alert the school office via [office@slade.kent.sch.uk](mailto:office@slade.kent.sch.uk).

### Primary Application Open Events

It was fantastic to see so many families join us on Wednesday for our first of three pre application open events for parents of children who will be starting primary school in September 2024.

We had over 90 visitors and it was lovely to hear their positive feedback and impressions of all of the children at Slade who they had the chance to meet and speak with during normal lesson time.

A reminder that the second open event is sold out and takes place next Wednesday from 09:15. Please try to avoid the school office at this time as it will be busier than usual.

If you are one of our new readers having visited this week, thankyou for coming along and don’t forget if you have any questions or concerns please do not hesitate to get in touch.

### Sphinx Class Rescheduled Forest School

Due to reasons beyond our control, the Forest School session for Sphinx Class has had to be changed from Wednesday 29 November to the new date, a day later on Thursday 30 November.

The online calendar has been amended to reflect this change. We apologise for any inconvenience this may cause.

### Late Bookings for Yeti’s

We understand that emergencies and unforeseen events happen and we aim to assist when a child needs to be booked into Yeti’s Wraparound After School Provision at late notice. Please always bear in mind where you have forgotten to make a booking rather than it being an emergency that places can only be booked by staff in the school office on the day of the required session if spaces are available and where credit is already in your SCOPAY account. In emergencies, this credit should be put into the account within 24 hours of the session being taken.

## FOCUS ON EYFS

### Help in the Community: Paramedics

On Monday, we were thrilled and privileged to be joined by paramedics Tabitha and Christian. They were at Slade to visit Elmer and Gruffalo Classes to help them learn about people who help us in our community.

The morning was a wonderful and exciting learning experience for the EYFS children, who found out all about a day in the life of a paramedic and their colleagues across hospitals in the NHS and at South East Coast Ambulance NHS Trust.

To help with the latter, they brought with them an emergency ambulance and were able to show every child, in small groups, both the driving cab (and the emergency lights and sirens) and the back part of the vehicle where lives are saved and where patients in great need of specialist medical attention are treated and transported to hospital.

Christian was pleased to be able to demonstrate how the vital equipment in the rear of the ambulance was used to care for patients. The children had the opportunity to try the pulse oximeter is the device that is placed on your fingertip and measures the oxygen saturation of the blood and the pulse rate. Oxygen saturation gives information about the amount of oxygen carried in the blood. They saw how the ear thermometer worked, where the patient laid and how they were kept safe by being strapped in whilst on the bed. They also found out where the paramedic sat and what they would do on route to hospital.

Meanwhile, Tabitha was providing the children with a real treat and a highlight of the morning - the chance to sit in the driver's seat and pretend they were making the difference by getting to hospital safely and quickly - they also saw the blue lights go on and the siren sound!

Tabitha also showed everyone the secrets of the cupboards on the side of the ambulance which include oxygen and other equipment.

Tabitha and Christian later presented the classes with bandages and slings that they are already using in their play and also a knitted paramedic which was the perfect memento of a very special day!

**Our sincere thanks to Tabitha, Christian and everyone at South East Coast Ambulance NHS Trust for a wonderful morning, which will be remembered for a long time by our youngest learners.**

## AROUND SCHOOL

### Anti-Bullying Week

This week has been Anti-Bullying Week and each class has spent some time concentrating on kindness and what to do if they, or someone they see, is being bullied.

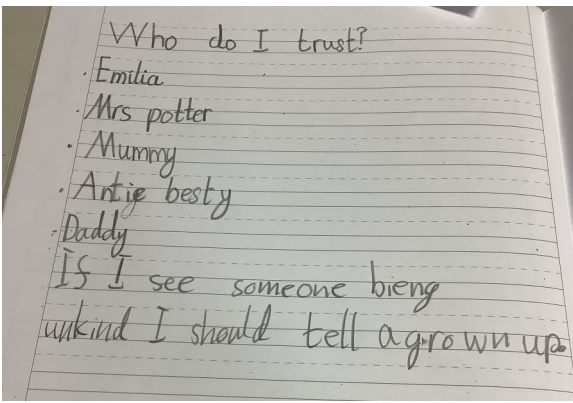

Importantly, the children have learnt what it means to be bullied and how important it is to speak up and ‘Make a Noise’ about Bullying when we see or hear it happening.

The KS1 classes explored our differences, and why difference should be celebrated and accepted, rather than being a reason to be unkind.

Finally, we discussed ideas of people we could speak to if we were worried about anything, including ChildLine and the work they do to help children who need help, often through bullying either at school or elsewhere.

If you wish to discuss any aspect of the children’s learning in this area this week please contact the class teacher via the class email address.

For more information on the work of the Anti Bullying Alliance and why their projects are so important, please visit their website: [anti-bullyingalliance.org.uk](http://anti-bullyingalliance.org.uk)

### Term 2 Uniform Sale: Next Friday

Sahar and her team will be on the school playground next Friday afternoon after school, selling quality used branded uniform along with PE Kit, skirts and trousers. Cash and card payments are accepted if you are looking for something for the winter months!

Donation boxes will be left at the entry gates on Tuesday and Wednesday next week.

### Children in Need Pupil Council Fundraiser

Today is the annual Children in Need day which aims on raising money to ‘make sure that every child has the childhood they deserve – and the support they need to thrive.’

The official Children in Need website states that:

‘We are committed to funding the grassroots organisations and project workers across the UK that provide the vital positive relationships children need to help them navigate the challenges in their lives. Our project workers support, inspire and champion them to ensure they have opportunities and can reach their goals. And that will always be our approach.

We fund thousands of charities and projects in every corner of the UK, that support children and young people to feel and be safer, have improved mental health and wellbeing, form better, more positive relationships and be given more equal opportunities to flourish.’

Our Pupil Council requested that Children in Need be one of their designated special days, and have organised a non-uniform event so that children across Slade could leave their normal school clothes in the cupboard this morning and come dressed in something of their choice to help express their desire to help the charity, which Mrs Slade has spoken about in her Celebration Assembly this morning and also in class with the teachers.

For those who wish to donate some money towards the Children in Need Appeal, we have set up a Just Giving page below via [justgiving.com](http://justgiving.com)

<https://www.justgiving.com/page/sladeprimaryschool-169952546694>

Thankyou so much to everyone who has donated so far, already over £450 has been raised after our message in last week’s newsletter and on our X Feed.

# Christmas Day at Slade: Friday 8 December

## PTA Christmas Committee

During the morning the PTA will hold their annual **Christmas Sale** - this is a fabulously festive opportunity for the children to buy small gifts for their family, which will be wrapped and labelled ready to pop under the tree! All gifts will be priced at 50p.

## PTA Christmas Sale

We ask each family to donate several good-quality items for the Christmas Sale that you would be happy to receive as a gift yourself. If your child wishes to buy for four people please donate four gifts; if you have two children at Slade who both wish to buy for four people, please donate eight gifts...we appreciate it soon adds up!🙏

Donations could include:

- Unused toiletries, cosmetics, aftershave and perfume

## FOREST SCHOOL

### Forest School Parent Volunteers

We are currently looking for a team of parent volunteers to support our Forest School Leader Miss Hall, assisting in the provision of a safe, caring, stimulating, and enriching environment for all Forest School participants. Forest School enables children to have positive, hands-on experiences in the outdoors, connecting with, and learning about the natural world. The sessions also help improve mental well-being - developing self-esteem, boosting confidence, and building resilience.

#### **Why should I consider becoming a volunteer for Slade Forest School?**

Make a difference in the lives of the children, helping them feel a sense of wonder and curiosity about the world around them.

Help to provide unique opportunities, supporting holistic development and learning through fun experiences in our woodland setting.

Help the children feel good about themselves, boost self-esteem, confidence and develop practical skills.

Experience your own increased well-being and improved physical and mental health through interaction with nature.

Observing and contributing to the increased well-being of those interacting with Forest School.

Try new things and develop your own skills in native plants, making and using tools, fire lighting amongst many others.

#### **What will I be doing?**

Help with forest school, natural outdoor play, craft activities.

Help with upkeep of tools and equipment.

Help with supervision of children.

Help set up and tidy up after activities.

Encourage a respect for nature.

Model weather positivity.

**This role is subject to all the usual DBS checks and volunteer inductions, if you feel this is something you could support with, please contact Forest School Leader, Tina Hall via [thall@slade.kent.sch.uk](mailto:thall@slade.kent.sch.uk) stating which day of the week you would be able to help and whether this is morning or afternoon.**

Sessions run from 9 till 12:30 in the morning and 13:00 until 15:30 in the afternoon. We are hoping to have enough volunteers to have a rolling programme of support so it may be that you are not required every week

(due to timetabling needs we cannot guarantee that you will be supporting your child's class).
