## FROM THE HEADTEACHER

Dear Parents and Carers,

Earlier today, a small group of us, representing all members of the Slade community, joined close friends and family of Marian Barlow at Corpus Christi Catholic Church to pay our respects and pass on our condolences to her loved ones. The funeral service was a fitting tribute to Marian, filled with memories of a very special lady who will be sorely missed by all who knew her. As previously shared, as a school community we are planning ways to remember Marian and to celebrate her life here at Slade; I will of course keep you all informed of what these plans are once they are finalized and how you too with your children can be involved in sharing your memories.

Well done and huge thanks to all of the children who participated in the half term Smarties Challenge that was organised by our fabulous PTA. We were overwhelmed by the number of families that got involved and even more so by the tremendous total of £900 that was raised! A huge well done everyone! Thank you too to all the parents and carers for providing all the loose change that filled up those Smarties tubes! The children were very excited to hear the winning class being announced in celebration assembly this morning...well done and huge congratulations to Gruffalo Class who between them raised just over £100! Fantastic fundraising Gruffalo; I’m looking forward to hearing what treat you choose for your well deserved prize!

Still with the PTA, a huge thank you to the parents, staff and governors who earlier this week attended this term’s PTA meeting which was held in the library on Wednesday evening. It was great to meet together to discuss the upcoming fundraising events for the remainder of the year. As a school we really do rely on the monies raised through all of the PTA events to enable us to provide some of our school essentials and to keep the cost of all school trips to a minimum. This year we hope moving forward that monies raised will enable us to begin an all-important upgrade to our outdoor spaces, starting with some of the structures on our school field. None of this can happen without your help and support so the committee would love to hear from anyone who is willing and able to get involved with the organisation of any of our planned events.

It has been lovely this week to see the welcome return of our Reading Volunteers, parents and grandparents who are giving up their time to come into school to provide additional reading support for children in all year groups across the school. Each year group has been allocated 2 or 3 volunteers who have undertaken training with our English Leaders and committed to coming into school on a regular basis. It has been delightful to see and hear the conversations happening each day as children and adults enjoy their reading books together. A huge thank you on behalf of everyone for giving of you time in this way; we all very much appreciate it. Happy reading everyone!

We are very much looking forward to welcoming all parents and carers into school later this month for the mid-year Parent Consultation meetings which will be take place on Tuesday 19 and Thursday 21 March in your child’s classroom. This is an opportunity for you to meet with your child’s class teacher to discuss the progress they are making, to hear of their targets for the coming terms and to take a look at some of their work too. The booking system for these meetings opens on Monday so do be sure to log on next week to secure your slot!

Finally, thank you everyone for your positive response to my reminder last week regarding the need for your children to be wearing the correct uniform to school; your support with this matter is very much appreciated.

**I hope you all have a lovely weekend.**

**Karen Slade**

## AROUND SCHOOL

### Welcome to Slade, Zaynah

Everyone at Slade is delighted to welcome our newest learner to the school with the arrival of Zaynah to Elmer Class.

Zaynah joined up with her new friends both in Mrs Pearson’s Early Years Class and also with Miss Laker in Titans.

We hope you have enjoyed your first week with us Zaynah!

Of course, we look forward to a very long, happy and successful relationship with all of Zaynah’s family

### Secondary School Offer Day

This week, the email containing today’s newsletter is not the most anticipated or exciting one dropping into inboxes for our Year 6 parents.

Today is National Offer Day for Secondary School places for children transferring to Key Stage 3 in September.

We hope that our families receive the news they want to see. If you have any questions about your offer you should contact your allocated school in the first instance. We will not be able to advise or assist at this stage.

Kent County Council provide this guidance for applicants who are unhappy with the offer made:

‘We suggest that you view the school website to find out more about it.

If you are still unhappy you can put your child on the waiting list or make an appeal for any of the schools you applied for. You can do either or both for the same school or for different schools. For example, you can appeal for one school and put your child on the waiting list for another.

**We recommend that you still accept the place your child has been offered.** This will not affect your waiting list position or your appeal. It will guarantee your child has a school place if no places become available or if your appeal is unsuccessful. If the waiting list or appeal are successful you must remember to tell the school you were originally offered that you no longer want the place.’

For more information, visit: <https://www.kent.gov.uk/education-and-children/schools/school-places/secondary-school-places>

### Parent - Teacher Consultations

As notified yesterday, the booking window to secure a meeting with your class teacher at our Spring Parent - Teacher Consultations will open at 20:00 on Monday 4 March.

We look forward to seeing you at the meetings, which are a great way to get to see your child’s classroom, their learning this year and to talk one to one with the class teacher about the child’s social and academic progress and goals for the rest of this year.

To book, just logon to your Arbor Portal or App from 20:00 on Monday and choose one of the available appointments.

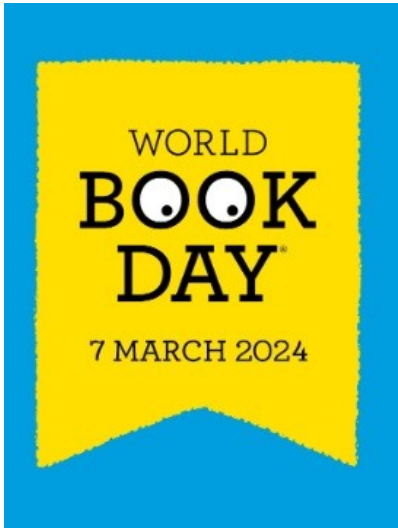

There are enough appointments for each family, however they do get booked up very quickly, so we encourage you to secure your spot early.

## AROUND SCHOOL

## World Book Day: Thursday 7 March

A reminder that next Thursday we will be taking part in World Book Day.

Children are invited to come into school on Thursday wearing a costume of a character from one of their favourite books or wear their pyjamas and bring in a teddy all ready for a snuggle and read!

The children will take part in a whole day of activities including a reading trail where children will get to carry out reading activities in other classes, buddying up to read with children from a younger/older class and enjoying a book read by a mystery guest!

Additionally, if they would like to take part, children are invited to enter a competition to decorate a potato or top hat with a book theme.

Click on the link to find templates and ideas for creating these at home or alternatively, feel free to use your own ideas! [https://cdn-literacytrust-production.s3.amazonaws.com/media/documents/World\\_Book\\_Day\\_top\\_hats\\_and\\_potato\\_characters\\_ueSvzdD.pdf](https://cdn-literacytrust-production.s3.amazonaws.com/media/documents/World_Book_Day_top_hats_and_potato_characters_ueSvzdD.pdf).

Please send your entries into school on World Book Day, ready for judging.

In the same way as last year, we are inviting all children to take part in a book swap within their classes. On World Book Day, please send in a book that your child no longer wants that can be swapped with someone in their class. Please don't worry if you haven't got a book to bring in; we are hoping to have enough spares for every child to take a book home with them at the end of the day.

We are all looking forward to a fun, story led day!

## School Attendance in Focus

Attendance remains high on our list of priorities as we encourage families to take family holidays and non urgent medical appointments out of school hours.

We ask for proof of attendance at a medical appointment , which is usually in the shape of a hospital or surgery letter. However, we know that this is not always possible when visiting the GP Surgery. Family Liaison Officer, Libby Wilmshurst, would like to share with parents a way that this proof could be obtained easily and for free, via the NHS App:

‘As a parent, carer or other family member you can download the NHS App and you will be able to manage services for another person by switching to their profile. This is also sometimes called having a linked profile or having proxy access. It needs to be set up by a GP Surgery where you and the other person are both registered. GP and hospital appointments will be logged on here and by sharing a screenshot of the appointment time we will be able to log correctly on our registers, the reason for absence.

### What is the NHS App?

The NHS App is owned and run by the NHS. It can be accessed by anyone aged 13 and over registered with an NHS GP surgery in England or Isle of Man.

Once you have verified your identity in the app, you will have easy, 24/7 access to a growing range of health services and information.

It doesn't replace existing services. You can still contact your GP surgery in the usual ways.

### What does the NHS App do?

- #### Your health

  - view your GP health record**  
view your medical history, test results, allergies, and medicines
  - register your organ donation decision**

- #### Help someone else

  - linked profiles**

**Can everyone use all of these services?**

Not yet. The services you can access will vary depending on the services offered by your GP practice.

To use some services, you will need to verify your identity. You only need to do this once. You can learn more about how to register and verify your identity in a separate leaflet: 'Getting started with the NHS App'.

Or you can get help on our website: [nhs.uk/helpmeapp](https://nhs.uk/helpmeapp)

**Your data and permissions**

The NHS App does not store any patient data. It lets you view your health information held by your GP and other healthcare professionals.

### Help and support

If you have any problems using the NHS App, you can:

- go to 'Help' in the top right-hand corner of the app. You will get help related to the feature you are using

We can’t thank you enough for your enthusiasm and support of these fundraising activities.

We currently have a group of parents who volunteer in the library at lunchtimes to make sure it is a warm and welcoming place for children to read or work over break time.

We would welcome some additional help to make sure we can support the children and staff as much as possible until a new Librarian joins the school.

## CLUBS AND ACTIVITIES

### Amber's Sewing Magic

Earlier this week, we were very lucky to be visiting Phoenix Class just as Amber was showing the class the amazing sweatshirt that she has made in the Craft Bus Sewing Club.

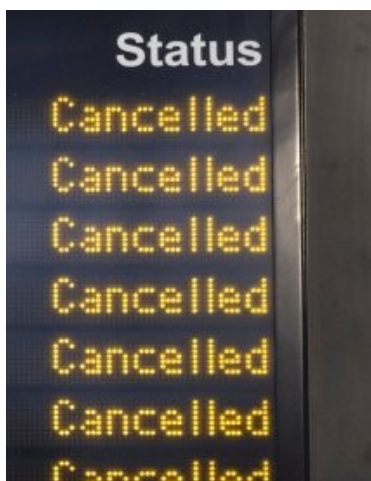

The children in the club have been learning how to skilfully and successfully sew together pieces of fabric, leading to clothing over the weeks.

Amber was already a keen sewist before joining the club as she explained when she spoke to us:

‘ I enjoy sewing lots and are very pleased with the sweatshirt we made in Sewing Club. At home I am really fortunate to be able to use my granny's old sewing machine which has given me a love for making things. We made the sweatshirt by stitching together the main body and the arms - where we had to make sure that everything was lined up perfectly, otherwise you would have wonky arms! The next bit was to sew the neckband on - which took lots of patience and skill, I am really pleased at how good my item looks.’

We totally agree, it is a perfect item which we are know Amber will be wearing lots.

Amber also chose the colours which also match perfectly, and although she insists sewing and fashion are just a hobby, we are sure there is a bright future career in the making !

### Club Cancellations

Unfortunately we had to cancel many of Mrs Ball's Activity sessions this week - thank you for your understanding. It is however very important that you read our emails about these cancellations and make alternative provision for the collection of children or to book them into Yeti's Wraparound. We had a number of children uncollected on Thursday evening at a time when Yeti's was already full to capacity. If you are unsure, please call us when a cancellation comes through and we will try to help.

Due to Parent - Teacher Consultations, the Lego and Homework Clubs with Mrs Potter and Mrs Hill on Tuesday 19 March and Thursday 21 March will also be cancelled, with apologies for the inconvenience caused.

### Spring Concert and Choir Competition

We are very excited that our Slade Spring Concert will be returning this year on Tuesday 26 March at 6:30pm at St Saviour's Church.

There will be several performances throughout the evening including the school choirs, violinists and individual performers.

This is an opportunity to celebrate the commitment, hard work and musical achievements of the children in our school.

If your child plays an instrument (including voice) and would like to be involved in the Spring concert, either performing as a soloist or in a group, please could you contact Mrs Stephens ([ssstephens@slade.kent.sch.uk](mailto:ssstephens@slade.kent.sch.uk)) to make arrangements.

The children will need to have their instruments and music in school on Tuesday 26 March so that they can attend a rehearsal at the church during the school day.

The Year 4-6 Choir are also performing at the annual Tonbridge Schools Choir Competition which is taking place at Tonbridge Baptist Church on 11 March from 18:30. Places for Choir members must be reserved via your Arbor Account - just log in and choose Trips to provide consent. Please note that if you have not registered your child for the Year 4-6 Choir this option will not be available. To register them go to Clubs and register where prompted.

## SPORT, FITNESS AND WELLBEING

### Chimera Climbing

Last week, Mrs Ball took a group of enthusiastic climbers to the Chimera Climbing Centre in Tunbridge Wells for some instructor led training as they experienced the thrills of the high walls.

Well done to everyone who took part for listening well to the coaching and for making it to the very top!

### Clubs and Activities

### Sporting Replies and Activity Contacts

Don't forget, we have our own Clubs and Activities email account for all questions and replies with regard to school run Clubs and Activities and Sports Events.

Please use [sportsandactivities@slade.kent.sch.uk](mailto:sportsandactivities@slade.kent.sch.uk) if you are making contact with school about an activity or in reply to an invite to taking part in a sporting event.

This means coordinator, Wendy Ball, will see the messages immediately and reply where necessary in line with our agreed timelines.

### Keeping Fit and Well at the Weekend

We are entering Cross Country Running season and we have already entered into a couple of competitions later on in March. One of the helpful suggestions for anyone taking part - or indeed for anyone who wants to improve their physical and mental wellbeing is to take part in local Parkrun or Junior Parkrun events.

parkrun is a free, community event where you can walk, jog, run, volunteer or spectate. Parkrun is 5k and takes place every Saturday morning. junior parkrun is 2k, dedicated to 4-14 year olds and their families, every Sunday morning. Parkrun is positive, welcoming and inclusive, there is no time limit and no one finishes last. For more information, visit: <https://www.parkrun.org.uk/>

Local Parkrun Events: Tonbridge, Malling, Maidstone, Maidstone Mote Park

Local Junior Parkrun Events: Tonbridge, West Malling Manor Park, Maidstone Mote Park

If you do take part, send us a picture and we will feature you in a future newsletter!
