School Newsletter

Term 3, Issue 2

Friday 17 January 2025

Karen Slade : From the Headteacher

Dear Parents and Carers,

It may have been another chilly week but that hasn't stopped some of our children from taking their learning outside, further afield and beyond the school grounds. Year 1 were out and about yesterday as part of this term's history topic with them heading to The Amelia Scott museum in Tunbridge Wells to investigate the history of toys and enjoy a special topic themed workshop. Despite there being a chill in the air the children and adults had a fabulous time learning about how toys have changed and evolved over the years. They even got to enjoy a train ride too! Many thanks to the parent volunteers who gave of their time to accompany the children on this memory making learning opportunity; we couldn't have done it without you and your support. Do check out some of the photos from their trip further on in this newsletter. A fabulous time was had by all!

As has been mentioned in previous communications, we ask that every child has their reading book, diary and folders in school on a daily basis. It is really important that all of the children have their book in class every day in order that they can be heard read by an adult at any available opportunity across the week. It might be that your child is asked to read on any day, not just library day, so thank you for helping ensure that they are ready and prepared for this and have their book in school with them. Next week our English Leaders will be sending out information regarding some small changes that we have made regarding expectations for hearing children read, both here in school and at home too, so do look out for this dropping into your inbox in the coming days.

Still with reading, why not get involved too in the 'Winter Mini Reading Challenge' a county wide initiative organised by The Reading Agency to further encourage a love of reading amongst children. The challenge started on Friday 1 December, ending on 20 February, and only involves reading three or more books for the challenge to be complete! Thank you to Mrs. Mills for promoting the challenge in the library and encouraging all of our children to get involved! I look forward to hearing of how many children in Slade meet the challenge in the coming weeks!

A reminder that the school gates are closed promptly at 8.50 each morning by which time all children need to be on school site, heading to class in time for their morning registration and getting ready to learn. If your child arrives at school after 8.50 then access to the school site is from the main car park entrance where your child's attendance will be registered at the side gate. It is really important that all children are at school on time every day in order that they don't miss out on those vital first minutes of lessons at the start of each morning. This week the number of children recorded as being late through the gate has been the highest to date this academic year, with 53 latecomers then having to catch up on their learning in the very first lesson of the day. Many thanks for your help and support in getting your children here and ready to learn on time.

In addition, a reminder please that in order to safeguard all children and staff the Deacon House driveway and car park is not for parental parking at any time, even when collecting from Yetis at the end of the day. Furthermore, neither are the driveways of any of our neighbours to be used for parking in at drop off or pick up. Thank you for your ongoing co-operation with this matter.

Finally, thank you again to the many of you who donated so very generously back in the Autumn Term to our Just Giving page and supported those of us who ran in the Tonbridge half marathon, in memory of Tom Waugh, an ex-pupil here at Slade. I just wanted to share with you that earlier this week we closed our fundraising page with the final total raised standing at a staggering £7,750 with every penny donated going to the charity Victim Support. Well-done Team Slade!

Karen Slade

School Spring Census

Department
for Education

Thursday saw the Spring School Census Day which is an opportunity for the Department for Education to see a snapshot of what is happening in all of England's schools.

As usual, the census asked us to measure the number of school meals taken by children at school, this allows the DfE to set the budget set to schools to cover Universal and Benefits Related Free School Meals. For lunch yesterday, 97% of EYFS and KS1 children and 91% of Benefits Related FSM eligible children took a school lunch to declare to the officials.

Thankyou to everyone who enjoyed their Fish and Chips and to the Nourish team for providing the special mealday for our children.

Amongst other administrative questions, the census also asked us to register the activities being taken by each class at 14:00. It was lovely visiting each of the classrooms sharing the afternoon learning with the children. Thankyou to all of the children who were keen to let us know what they had been doing in class and it was evident that there was a great mix of different lessons going on as part of the rich and varied curriculum provided by the teachers at Slade.

The Romans are invading these shores again on Monday as we welcome Living History Workshops back to Slade to present their popular Roman Day with the children in Year 3.

We are very grateful to all of the parents who have already been able to pay the £10 donation to make this Roman experience possible, especially given the late notice for which we apologise again.

For parents who are unable to pay this donation before the initial deadline of Sunday, but are looking to do so, we will issue a new email with details of how to pay early next week.

Please do not forget, that the teachers require the Snazaroo face paint allergy form handed back to them prior to the event. If you haven't yet handed this back, please see the teacher at the beginning of the school day on Monday, or pop round to the school office where we will be able to assist you.

Jigsaw Joy

We are very grateful to the Pallet family for their kind donation of jigsaw puzzles earlier this week.

After having a go at them herself, Business Manager Jill Westwood was very pleased to hand them to Louise Pearson for use with different pupils across the school and for the children in our Yeti's Wraparound Clubs.

Slade Journal: Around School

We are grateful to parent, Imogen, who has alerted us to a fantastic event held by the Royal Academy of Arts each year, called the Young Artists' Summer Show.

Imogen says, 'I went to the show a couple of years ago and it was wonderful, lovely artwork from children of all ages; one class had each made a ceramic duck and they were all there together exhibited.' 'My son loves drawing and painting and taking him along to something where young children have their artwork displayed in a gallery in London is such an exciting idea, and for the children who are chosen it would be a real boost - things like this show reach into a passion for making creative careers aspirational, it is like a small stepping stone to show value in the arts as well as other areas.'

We completely agree and Art Leader at Slade, Grace Worley, has registered Slade on the RA website, which will allow for any child at school to send in any artwork that they would like to be considered for this year's show. 'This is a super way to highlight the beauty and importance of Art and such a nice way to showcase those budding and enthusiastic young artists that are in our schools. I am pleased to have registered Slade Primary School and look forward to seeing any entries produced by pupils at our school.'

All the information you need to consider entering and then submitting your artwork for the event can be found on the [Royal Academy of Arts website](#) .

They say:

'Artists are at the heart of everything we do at the Royal Academy of Arts — we believe in nurturing and celebrating the next generation of artists. Taking inspiration from the [Summer Exhibition](#), the Young Artists' Summer Show is a free, open submission exhibition for young artists aged 4–18 years studying in the UK. The project is generously supported by Robin Hambro, a passionate advocate for the importance of access to art, and the benefits of encouraging the arts, for children and young people.'

Each student can submit one artwork and there is no theme. When you enter, we'll ask for an image of the artwork plus some information about the piece such as title, size, and some text written by the artist which can include why they created the work and what it means to them. Our panel of judges will see the artwork and the selected pieces will be shown in our online exhibition. Some of the artworks will also be shown at the Royal Academy of Arts.

The submission window is open until Wednesday 5 March with judging in May. If you wish to visit the exhibition, that will be running between Tuesday 15 July to Sunday 10 August.'

At Slade, we are delighted to be supporting this event and will gladly feature any artwork submitted in future issues of the newsletter - please send us a copy of the piece along with your child's name. Publicity posters for the event can be found around school.

Slade Journal: Around School

Blue Monday - dubbed the saddest day of the year, typically takes place on the third Monday in January which means this year's it falls on January 20th.

It resonates with many because it falls during a time of post-holiday blues, cold weather and financial strain - a combination that can indeed dampen spirits, though emotions are complex and cannot be pinned to a single day.

Alex Taylor, part of our Wellbeing Team, has been investigating:

What is Blue Monday?

The term Blue Monday originates from UK travel company Sky Travel, which came up with the concept in a press release in 2005. In fact, its creator, psychologist Cliff Arnall, later admitted that the idea was largely a publicity stunt, but despite its dubious origins, Blue Monday has become an established part of popular culture. Marketing campaigns have embraced Blue Monday as an opportunity to target consumers - a bit like Black Friday. But impulsive spending can actually exacerbate financial stress at a time when many are recovering from holiday expenses.

How to help beat the January Blues

Here are some strategies to avoid overspending while still brightening your day:

- **Set a budget:** Decide in advance how much you're willing to spend, whether it's a small treat, a meal out or a new book. Sticking to this budget can help you enjoy a guilt-free pick-me-up.
 - **Seek free joys:** Uplift your mood with cost-free activities such as a walk with your family or friends, or revisiting a favourite hobby. Sometimes the simplest pleasures are the most effective.
 - **Invest in experiences, not things:** If you do spend, consider putting your money toward experiences - like a museum visit or a trip to the seaside - that offer lasting memories rather than fleeting satisfaction
- Plan for the future:** Use January and Blue Monday as a chance to set positive goals. Creating a vision board or planning an affordable weekend outing can shift focus from the present gloom to future excitement.

The Samaritans wants to turn the third Monday of January into the more positive 'Brew Monday', encouraging people to make a cup of tea and have a chat on the phone or on-line with those they care about.

If you or any of your family or loved ones are affected by any of the issues on this page, or need a listening ear, our Family Liaison Officer, Libby Wilmshurst, is here to help.

Focus on Year 1

Yesterday, our first Educational Visit of the school year took place as Year 1 took the train from Tonbridge to Tunbridge Wells, followed by the walk up the hill to the Amelia Scott Museum and Library Centre in the centre of the spa town.

The purpose of the visit was to extend their knowledge of toys from history, and for this they took part in a special workshop titled, Playtime Past.

The fun and excitement though started well before they even got near to Tunbridge Wells as the Year 1 classes from Slade were given a Southeastern fun pack including colouring and crayons and even had a welcome aboard message across the announcement system on the train!

Our thanks to everyone at Southeastern and to the team at The Amelia Scott Centre in Tunbridge Wells for making our children and staff so welcome all day!

Mr Clark tells us about the rest of the day:

‘On Thursday, Year One had a great day visiting the Amelia Scott in Tunbridge Wells! The fun started at the train station, as we got a shoutout on the station's loudspeakers! Not only that, but Elf and Pixie were also namedropped as we were on the train!

Once we arrived in Tunbridge Wells, we had a long walk up a steep hill but finally arrived at the Amelia Scott. There, we learnt about toys from years past, including a steam train, teddy bear and spinning tops, as well as completed a scavenger hunt around the museum.

After that (and a tasty lunch thanks to the ladies in the kitchen) we started back towards the station. We made it back to school with seconds to spare, and all went home having had a fun (but ever so slightly exhausting) day!’

Slade Stats

Attendance

Over a school year, we are due to be open for 190 days which equates to 380 sessions.

Registration takes place at 08:50 in the morning and after lunch in the afternoon.

Attendance is affected if a pupil is not present at school for any whole session including registration.

The class with the best attendance each week will win Attendance Ted.

Punctuality

Registers are taken at 08:50. If children arrive after this time, they are registered late.

It is important that the children are at school on time every day to prevent disruption and upset to their day and for the rest of their class.

Punctuality Pup is awarded to the class with the best punctuality each week.

Our Attendance Target = 97.0%

Our Attendance This Week = 95.4%

Our Attendance This Year = 95.3%

Punctuality: Number of Late Pupils This Week: 53

Congratulations to our winner of Attendance Ted this week:

Dragon Class (98.0%) Second consecutive week for Mrs Worley.

Congratulations to everyone in our Year 6 class for being here ready to learn each day.

Unfortunately, there are no winners of Punctuality Pup this week because every class has seen a lot of late marks this week. Pup is looking for a home, and is currently consulting his agent for a place on Channel 4's The Dog House - he has been reading page 13 of today's newsletter.

Our News: Tigerlily

Superstar Swimmer

We are all very proud of Tigerlily, who last weekend saw her hard effort and achievements in swimming rewarded by taking a top prize at the Tonbridge Swimming Club annual ceremony.

We caught up with Tigerlily earlier today:

‘I was really pleased when at the awards ceremony, I won the third place prize in my age category as I had performed really well at this year’s club championships.

I love swimming, because I do well at it and my brother Hez goes as well. Mum and Dad watch me and I love that!

My best strokes are Front Crawl and Back Stroke.’

Thankyou very much to Tigerlily and to her family for letting us use these photographs of a very happy and proud young swimmer!

Sport, Fitness and Wellbeing

Girls Football

Well done to our Girls Football team, who finished in third place in the local Leigh Academy Sports Partnership tournament held at St Gregory’s School in Tunbridge Wells.

The team did very well throughout the evening, beaten in the final standings only by Woodlands School and eventual winners Yalding.

They look forward to getting out the pitch again soon!

Sport, Fitness and Wellbeing

We are proud and pleased to be working with Debs Holliday and the rest of the Kent Emotional Wellbeing Team (EWT). In the short time that we have been partners, Debs has already begun to make a positive impact on the lives of children she has seen here at Slade.

We would like to point parents to a set of online workshops run by the EWT alongside their colleagues at the Medway Emotional Support Team, both working with the NELFT Foundation Trust.

The online workshops offer information around key topics to help understand what is going on for your child and strategies to support them, based on the latest evidence and practice.

If you would like to join in any of the workshops, please use the links below (these links are also available on the For Families section of the school website).

If you have any questions, please refer them to our Wellbeing Champion, Wendy Ball via office@slade.kent.sch.uk.

The sessions are held via Microsoft Teams. You do not need an account to join, but you will need access to the internet.

If you require materials in any other language than English or have any other access needs, please email EWTandESTenquiries@nelft.nhs.uk.

Slade and Kent Adult Education Team up!

After the great response for our survey back in September, we have teamed up with Kent Adult Education to provide our families with these great workshops. These workshops will be offered exclusively to Slade Primary School parents and carers. Thank you to everyone that took part in the survey and to those that have already signed up to the online workshop advertised last week (application closed). Please see below for details of all upcoming workshops this academic year.

Please note: All in person workshops have a limited number of spaces. Priority will be given to parents who indicated their interest in the September survey.

News and Events from the PTA

Monday 27 January

Come and join us on Monday 27th January for the first PTA Meeting of 2025!

Where: School Hall

When: 7.30-8.30pm

Why: A fabulous opportunity for us all to discuss the fundraising plans for the rest of the year, share ideas, and consider how the money we raise together can be spent to benefit the children at Slade.

Open to all parents, carers and staff. No need to RSVP, just come along on the night if you can make it...we're a very friendly bunch and there are usually biscuits!

Glow sticks at the ready!! The KS2 Disco is Back on Friday 7th February

Years 3&4 5-6.30pm

Years 5&6 6.30-8pm

Arrival is through the main school gates. Staff will be at the event to sign children in and ensure that children are handed over to their grown-ups at the end of their disco.

Entry is £3 on the door and you can also purchase credits at the entry desk to go on your entry wristband at 50p each; each of these will buy you a drink, some sweets and/or a packet of crisps. Glow sticks will be on sale for £1 also. Please bring the correct money if possible for the £3 entry wristband plus the number of 50p credits you want to purchase.

Whilst children are welcome to bring additional money if their grown-ups allow, we're offering the wristband credit option to minimise the risk of cash getting lost whilst the boogie-ing is in full swing!!

Wristbands will also be on sale on Wednesday 5th and Thursday 6th February on the playground at pick up, to reduce queues on the night!

Recycled Clothing Collection

This was such a popular event, and we've had a number of requests to re-run a collection this year.

The company we used before are currently unable to offer us a competitive per kg rate for clothes collected, but there are a number of other companies running similar schemes that we hope to be able to work with.

Watch this space and we'll update you as soon as we can!

If you are interested in volunteering to help at an event, or might like to help us source a new recycling partner, please reach out to the PTA Committee at PTA@slade.kent.sch.uk

FIVE
MILE
FILMS

Be in The Dog House

Jacob Lloyd from Bristol based Five Mile Films, programme makers of the BAFTA-nominated Channel 4 series, The Dog House, has been in contact with Mrs Slade to talk about the new series of the programme described as one of the most heart-warming programmes on TV.

Jacob is leading the search for people who can offer a loving home to a rescue dog and share their reasons for doing so.

Jacob told Mrs Slade:

‘In previous series, we found that there were many reasons people might consider bringing a rescue dog into their life; to help combat loneliness, extra company for a child, to encourage getting out more. For children specifically, having a dog in your home has been proven to help with social skills and impulse control, and even improve self-esteem. Dogs are always happy to see you when you get home from school, and their love is unconditional - the ideal confidant and an ever-willing playmate! We would love to highlight some of these benefits and wondered if any parents, carers, friends, staff or any member of the Slade School Community might be interested in applying, or simply find out more with no pressure to take part.’

When asked who may be interested, Jacob had this to say:

‘Anyone who would want to provide a loving home for a rescue dog. For the next series of The Dog House we are looking for couples, individuals, friends and families who are seriously considering bringing a rescue dog into their lives and are willing to share their reasons for doing so.’

Jacob has provided this link to apply, and the production team email for anyone who has any questions:
